

### ***Once Upon a Sneaker...***

The creation of two 40-something moms with a passion for fine children's wear. We design and carry fine quality, supple leather squeaky shoes that kiddos adore and parents love - to keep track of their lil' ones! The small "sneaker" in each shoe is simple to remove by a parent. Our 100% guarantee gives customer satisfaction and sets us apart from other squeaky shoes. Your toddler will giggle, smile, and learn proper heel-to-toe toddlin' as they enjoy every moment in their Sneakers shoes, and you will be completely satisfied as your child always walks in style.

**PLEASE NOTE:** Sizes are approximate and can vary from chart sizing. If in doubt, we encourage you to get a size larger. Kiddos grow quickly, and Squeakers are a great gift!

## **MEASURING YOUR CHILD'S FOOT**

To measure your child's foot while child is standing, measure from the longest toe to the back of the heel.

For closed-toe shoes and Mary Janes: Allow a little extra room for socks and/or growth!

For Open-Toe Sandals: These will be roomier and a little larger than our closed-toe shoes. Choose your size accordingly.
